Medjugorje Our Lady has been said to be appearing in Medjugorje since 1981, and many conversions of faith in Jesus have occurred there. This week the Vatican has declared formally that *"the Holy Spirit is acting fruitfully for the good of the faithful in the midst of this spiritual phenomenon of Medjugorje. [All] are invited to appreciate and share the pastoral value of this spiritual proposal."* Our Lady's purported apparitions and messages have not been declared on – but this document can be understood as the Church's stamp of approval of the place itself.

SoundCloud Some of Fr Matt's Sunday homilies are now available if you'd like to listen again or share. Go to <https://on.soundcloud.com/Tz4Ap>, where they will be uploaded as and when recorded.
