

Aberystwyth and Ceredigion Road Closures

*** Owing to the Cycling Championships this coming weekend, ***
*** there are several road closures in our parish. ***

Some roads in Aberystwyth Town Centre are permanently closed from 8am to 8pm. Other roads, both in the vicinity of the town centre and into more rural areas, will subject to 'rolling roadblocks' throughout the day. This will affect transport to and from our churches.

You may struggle to arrive/depart from Mass because the cycle route passes along the A487 Penparcau Road, so please be prepared for delays. Please note the parish minibus will not be available this weekend. I would suggest coming to the Vigil Mass on Saturday evening, if you are able.

Please be reassured that if you intend to come to Mass, but are not physically able owing to the traffic restrictions, then you are not in any way at fault should you be unable to fulfil the obligation. No sin is incurred, but it would be of benefit to spend some time in prayer with your family at home, and to reflect on the readings of the day.

1 st Reading	Acts 12:1-11
Psalm	Ps 34(33)
2 nd Reading	2 Timothy 4:6-8, 17-18
Gospel	Matthew 16:13-19

With all good wishes,
Fr Liam Bradley.
